ST JOHN AMBULANCE CHARITY RIDE Sunday 25 April 2010

The Canterbury Branch of the Ulysses Club will again be holding its annual ride in support of St John Ambulance on ANZAC Day, Saturday 25th April 2009. All money raised, less expenses, will be donated to St John. This year the chosen St John branch is the Banks Peninsula Area Ambulance.

We respectfully ask if you are able to support us this year. Anything you can give to support this cause would be much appreciated, especially financial assistance, or donations for prizes, as we aim to raise as much as possible towards whatever the St John Banks Peninsula Area is in need of.

Motorcycling individuals and clubs will assemble in Winchcombe Street, South City, Christchurch and then depart on an ordered ride to Awa-iti Domain Little River for a barbeque. Moneys are raised by the selling of badges, raffles and a gold coin donation is requested from individuals for the barbeque.

Our undertaking is that any sponsorship that you choose to provide will be used directly for this fundraising event. Your business name will be acknowledged on the day, and where appropriate your business card will be attached to the product. We will also acknowledge your support when making the donation to St John, and a listing in our newsletter encouraging our members to use your services.

The 2009 ANZAC Day involved in excess of 250 motorcycles, and we anticipate large numbers again in 2010. Should you choose to support this event, we would appreciate a quick response advising us accordingly.

St John is the only charity that Ulysses Canterbury support and your assistance would be gratefully appreciated for this worthy cause.

Yours sincerely

Chris Carey
